## CLYDE M. PRIEST Jr.

---

Global Rail Systems of Marlin, TX is pleased to announce the addition of Clyde Priest to the Sales and Customer Service team. Clyde's background includes 29 years of Sales, Business Development, Customer Service Management, Product and Project Management, and Technical Product support (Signal and Communications) servicing the US and Canadian Rail/Transit markets. Clyde's industry experience is broad based and comes from years with Harmon Industries Inc, Vale-Harmon Enterprises of Canada, ALSTOM, Balfour Beatty Rail Systems and Southwest Signal Engineering. Clyde's commitment to customer service and support exemplifies the commitment Global Rail believes in.

Global Rail VP Marketing & Sales Ron Martin added, "I am very pleased to make this announcement because Clyde will bring the type of customer care we value so much here at Global Rail. He will be a good partner with our customers and a great addition to our growing team. He will be located in Jacksonville, FL and will be responsible for our marketing efforts in the eastern region of the U.S."
