Policy for the Use of ASLRRRA Products

ASLRRRA products, in both electronic and printed formats, are for the express usage of the entity ordering the product. ASLRRRA products may not be copied and distributed to any other individual or organization nor utilized for any commercial purpose without prior written authorization from ASLRRRA. Commercial purposes include re-selling ASLRRRA products, using products to enhance the value of any shipment monitoring or logistics service sold to others, and the like. All individuals and companies placing orders with ASLRRRA agree to be bound by these terms.
